Dear Sir:

This is in response to the Decision dated July 30, 2007. The Decision maintains a receipt date of December 2, 2004, and contends that the documentation fails to establish an express mail "date-in" of November 15, 2004 as requested in the original petition. However, even if this is accepted, the September 16, 2005 communication from the US Postal Service and the PTO postcard receipt show receipt dates of November 17, 2004. Therefore, applicants respectfully contend that the record supports a receipt date at least as early as November 17, 2004, rather than December 2, 2004.

Respectfully submitted,
